### **Flu Season 2018/19**

As the autumn approaches Flu season is with us once more. As we have so much disruption with the building works taking place at our Framlingham Surgery site, this year we will not be running our usual Flu Saturday event. Instead we will be running a number of Flu clinics during our normal surgery hours both in Framlingham and Earl Soham starting from Monday 17 September 2018.

As our patient car park in Framlingham is not available to use, we will also be offering a number of clinics at our Earl Soham surgery site where parking is easier.

#### ***People who are eligible for a flu vaccination include:***

All children aged two to nine (but not ten years or older) on 31 August 2018

Carers

Pregnant women

Those aged 65 years and over

Those aged six months to under 65 years in clinical risk groups

Those in long-stay residential care homes

Please do pop in to see us or contact our Reception team on 01728 723 627 to find out more and book in to one of our flu clinics.
